

H.U.R.T Racer Grant

Information and Application

HURT-Nordic offers a modest racer support program that is designed to give motivated juniors a small grant to pursue regional, national and international races. Juniors in New York State have opportunities to ski at Junior National Races, Eastern High School Championships, Eastern (U16) Championships and even international level racing if they qualify. We can only fund racer grants with the generous donations from our team members and their families as well as proceeds from HURT camp and our season events.
